LIFE EDUCATION VISIT

Students from Years Prep to 6 visited the Life Education Van to learn about personal safety and healthy lifestyles.

Everyone also enjoyed meeting the very popular Harold.

Themes covered by the Life Education visit will be continued by teachers, in classroom programs relating to Health and Safety.
This Sunday is Fathers’ Day. I often think about my wonderful dad and the important role he played in my life when I was growing up and also the guidance he has given me as an adult. I think back fondly of all the time we spent together and realise how fortunate I have been to have such a caring father. As a father myself I have never forgotten the important lessons I learnt from my dad and have tried to live up to his high standards. To all our dads, I wish you a happy Fathers’ Day.

**Robocup**
Our Robocup team: Vishal, Kaelen, Dishan, Bailey A and Jaike took part in the Robocup State Finals at Scienceworks last Friday. They were ably assisted by Zaine. They did an excellent presentation and were fortunate enough to achieve the runner up position in the Robocup Dance Theatre competition. We are very proud of them. Thank you to Mrs Bearsley for all her hard work and to Bianca for helping out on the day. This Tuesday, at assembly, the team will be presenting their performance for all to see. I hope you can make it along.

**Junior School Council - Newsletter Survey**
Our Junior School Council (JSC) is working on a project to find out about how our school community would like to access our school newsletter. They have designed two questionnaires, one for our parents to complete and one for students. Once the surveys are completed, our JSC will look at the information and collate it. It can then be taken to School Council, who can then make an informed decision. The parent survey was sent home yesterday. Please take the time to complete the survey and return it to our front office by Wednesday 4th September. Thank you.

**District Athletics Carnival**
Congratulations to all our students who took part in the District Athletics Carnival on Monday. It was a very successful day and everyone had a great time competing and enjoying themselves. Thank you to all the teachers for their effort on the day and to Mr Napier and Ms Skewes for their organisation.

**Monster Special Effort Results**
Congratulations to the following winners of our Monster Special Effort.

1st Prize: Emily Phillips
2nd Prize: Dhanyu Omaththage
3rd Prize: Jason Del Socorro
4th Prize: Brad Runnings
5th Prize: Ingrid Williams

**Kinder Club**
The next Chalcot Kinder Club will be held on Thursday 5th September from 2.30pm to 3.30pm. This is an important part of our Transition Program, which facilitates a smooth and confident entry for children into primary school life. During Kinder Club, parents are welcome to have a chat over a cuppa in the staffroom.

**District Athletics**
Congratulations to our Years 4 to 6 students who participated in the District Athletics competition last Monday. I am pleased to announce that seven students will be representing Chalcot Lodge in the Division competition later this term. Congratulations to: Corey Gordon, who will be competing in the 100 metre sprint; Sharlize Moorhouse, Christopher Hann and Chotdier Gatkuoth, who will be competing in the hurdle event. Claire Goodall and Christina Dournova will be competing in the high jump event and Tyrone Samson-Kite will competing in the discus event. Your Chalcot Family is very proud of you all!!

**Chalcot Lodge Earth Hour - Wednesday 4th September 9.30am to 10.30am**
On Wednesday 4th September, Chalcot Lodge will be holding our own Earth Hour. Earth Hour is a worldwide event organised by the World Wide Fund for Nature (WWF), which encourages us to turn off our non-essential lights for one hour to raise awareness about climate change. Earth Hour is an opportunity for us to do something positive for the environment.

**Impetigo - School Sores**
We have had one reported case of impetigo this week. Impetigo is an extremely infectious bacterial infection. Children are excluded from school until the sores have fully healed. If medical treatment has commenced and the sores can be completely covered and sealed by dressings, the child may be allowed to resume school. Medical treatment with antibiotics is usually necessary. School sores are round, red swellings that form small blisters with yellow crusts. Often they appear to be like insect bites and are usually found on the face around the nose and mouth as well as the legs.

**University of NSW Science and Computer Certificates**
Just a reminder, that the University of NSW Science and Computer certificates will be presented during our next assembly on Tuesday 3rd September.

**Fathers’ Day Stall**
Thank you to the following FANTASTIC PFA members and helpers for organizing and running another successful Fathers’ Day stall:
