On **Thursday 26th February**, parents/guardians are invited to attend the ‘Class Information Session’ with their child’s year level teachers.

The sessions are for twenty minute durations and will be held from 6pm until 7.20pm. The information session provides parents with the opportunity to better understand what is happening with their child’s learning. You will have an opportunity before the information session to personally meet your child’s class teacher/s during our free BBQ in the courtyard between 5.15pm -6.00pm or during activities on the senior oval.

At this early stage of the year, teachers will not be reporting on children’s progress, this will be done formally during Parent/Teacher Interviews at the end of this term.

We ask that you complete the attached questionnaire and return it to school by **Friday 20th February**. The questionnaire is extremely important as it is designed to assist teachers in maximising your child’s learning success and making their time at school a happy and fulfilling one. It will also enable you to reflect on your child’s learning and social strengths and needs.

If you wish to discuss in greater detail, any information about your child, please feel free to book an additional appointment time with your class teacher.

Yours faithfully

Dean Napier  
Curriculum Coordinator

Monica Ghirxi  
Principal
CHALCOT LOD  PRIMARY SCHOOL  5321

PARENT QUESTIONNAIRE

Please complete the following questionnaire and return it to your class teacher by Friday 20th February.

CHILD’S NAME: ___________________________  CHILD’S CLASS: ________

1. Were there any concerns you had before the beginning of the school year that have not yet been addressed?

____________________________________________________________________________

____________________________________________________________________________

____________________________________________________________________________

____________________________________________________________________________

2. Are there any concerns that have arisen since the beginning of the year?

____________________________________________________________________________

____________________________________________________________________________

____________________________________________________________________________

____________________________________________________________________________
