On Monday, Year 3 and 4 students went to Gleneagles Secondary College and competed against six other schools for the Gleneagles Cup. Three of our teams got into the finals: two netball teams, and a basketball team. The basketball team that went to the final were the Boomers, the netball teams were Diamonds and Unstoppables. The winner of basketball was Boomers and the winners of the netball team were Diamonds. At the end of the day we gathered in the shed and received medals for our winning teams. The scores for the whole day was tallied. Chalcot Lodge was 1st place and we got the 2015 Gleneagles Cup trophy. When we arrived back at school we sang our Chalcot anthem.
**FROM THE PRINCIPAL**

**The New Chalcot Look**
Our new uniform range samples have finally arrived and are now on display in the front office. Please feel free to come in and have a look at our modern new design. The uniform range will be available from Beleza from the beginning of December.

The new range includes a newly designed bomber jacket and rugby top, winter & summer mesh tops, black tracksuit pants, trousers and shorts, with a more modern logo that still keeps in the theme of our big oak trees. Our current green checked girl’s summer dress will still be part of the new uniform. We are also introducing a green scarf for winter.

As we phase in the new uniform, students will be able to wear our current uniform during 2016, 2017 & 2018.

I have included the new uniform range price list from Beleza in this week’s newsletter. Please note that the long sleeve mesh top and scarf have not yet been added to the price list.

**Marine Ambassador’s Celebration**
The Chalcot Lodge Green Team has been extremely fortunate to take part in the Dolphin Research Institute ‘i sea i care’ 2015 program. Ms Keay and Mr Cacavas have led this school project and have made a significant impact on our students understanding and taking action on issues that affect the conservation of our local environment.

Last Monday night, I had the great pleasure of attending (with our Green Team Leaders and Ms Keay) the Marine Ambassador’s Celebration at the Council Chambers, City of Casey Civic Centre. Our Green Team Leaders - Ella Ryan, Tome Correia, Jake Weerasingha and Marko Kovac are excellent ambassadors not only for the Dolphin Research Institute, but for our school.

I am proud to announce that Tome Correia and Jake Weerasingha were presented with the 2015 Marine Ambassador’s Students award and Ms Keay and Cacavas were presented with the 2015 Marine Ambassador’s Coordinator’s award. There were 300 schools and 1200 students that participated in the program this year. To achieve these awards was truly a great achievement. Congratulations team, your Chalcot family is very proud of you!!!!

**Writer’s Award**
Congratulations to Jason Ockenden who won the under 14 ‘Why I Love Doveton” story writing competition at the Doveton Festival during the school holidays. Well done Jason, your Chalcot family is very proud of you too!

**Spring Planting Day**
A very, very big thank you to Cathy Bracegirdle, our students, parent helpers and our friends from Bunnings for organising and assisting in our Spring Planting Day. The garden looks amazing.

**Parent Club Bunnings Barbeque**
The Parent Club has organised a Bunnings BBQ on Saturday, 24th October. The sausages will be sizzling and cold refreshing drinks will be available for sale. The Parent Club and their team of helpers will be hard at work from 8.00am to 4.00pm. If you are passing by, please pop in and show your support!!!!

Principal
Late or Absent?
When teachers mark the roll each day, they are required to indicate late arrivals as well as absences. This information must be recorded on the DET computer system CHESS. Students must be at school for two hours of a morning or an afternoon session to be marked present for that half day. For the purposes of attendance, the morning session is 9.00 am - 12.15 pm and the afternoon session is from 12.15 pm - 3.30 pm.

Sharing Hats
To help control the spread of head lice, we do not encourage students who forget their hats to borrow a spare hat from a friend. We would appreciate it if you could reinforce this with your children at home.

Head Lice Check
During this week head lice checks have been carried out throughout the school by the HALO CLINIC “the head lice angels” a huge thank you to parent Kate George for donating her time and expertise to help our school community with this very common issue.

Cyber Space – How to Help Protect Your Children
By taking responsibility for your children’s online computer use, parents can greatly minimize any potential risks of being online.

Make it a family rule to:
1. If your child is young — say under 7 — consider being with your child when he or she is on the Internet. Children at this age can become confused or upset if they come across content that they don’t understand or that might be inappropriate for their age.
2. Warn your child not to give out identifying information – Children should never give out home address or telephone number or when they are home alone in a public message such as chat or social networking sites, and be sure you’re dealing with someone that both you and your child know and trust before giving it out via E-mail. Teenagers often give out school information on social web sites but kids under 13 should avoid doing so.
3. Get to know the services your child uses. If you don’t know how to log on, get your child to show you. Find out what types of information it offers and whether there are ways for parents to block out objectionable material.
4. Never allow a child to arrange a face-to-face meeting with another computer user without parental permission. If a meeting is arranged, make the first one in a public spot, and be sure to accompany your child.
5. Remind your children to never respond to messages that are suggestive, obscene, belligerent, threatening, or make them feel uncomfortable. Encourage your children to tell you if they encounter such messages. If you or your child receives a message that is harassing, of a sexual nature, or threatening, forward a copy of the message to your service provider and ask for their assistance.
6. Remember that everything you read online may not be true. Any offer that’s “too good to be true” probably is. Be very careful about any offers that involve you coming to a meeting or having someone visit your house.
7. Set reasonable rules and guidelines for computer use by your children. Discuss these rules and post them near the computer as a reminder. Remember to monitor their compliance with these rules, especially when it comes to the amount of time your children spend on the computer. A child or teenager’s excessive use of online services or bulletin boards, especially late at night, may be a clue that there is something not quite right.

If you have any concerns, call 0400 194 859 during session times or come in and have a chat!

Y.L.V Team

BELEZA
School uniform items can be purchased directly from the Beleza School Uniform Store at shop 7, 151 – 159 Princess Hwy, Hallam, phone 9702 3181. Mastercard and Visa are accepted. Beleza order forms are also available at the school office. When placing your order you will need to make payment to the school either by cash or by completing your credit card details on the order form. Beleza staff will then deliver your order to the school.

School Banking
Don’t forget that FRIDAY is School Banking day and students should bring in their weekly deposit.

Changes to Term 4 Rewards: Following the decision last month to recall the Cosmic Light Beam Torch due to a potential safety issue, the Commonwealth Bank has made a decision to also withdraw the upcoming Lunar Light Band reward from the School Banking Rewards Program. To avoid disappointment there is a new reward item available for redemption in Term 4 while stocks last. Students can now test their skills with a game of Frisbee with the new Galaxy Glider. Once students have collected 10 tokens, they can simply include a note, along with their 10 tokens in their deposit wallet on banking day to advise that they would like to redeem their tokens for the Galaxy Glider reward item. Don’t forget the Outer Space Savers Money Box is also available in Term 4.

Cosmic Light Beam Torch: Any children who have ordered a Cosmic Light Beam Torch will need to choose an alternative item. The Bank has replaced the 10 tokens of those who ordered the torch, so those particular children may select a replacement item whenever they choose to.

Disneyland: Throughout 2015, any student who makes 25 or more deposits goes automatically into a draw for a family trip to Disneyland. Good luck and keep depositing!

Ingrid Williams
School Banking Coordinator
