YOU'RE GOING THE WRONG WAY!

The day started off calm until we took the wrong street, which led to the wrong destination. So we had taken the trip all the way from the start and finally made it to the Kingston Council! We saw Mayor Tamsin Bearsley and gave her the biggest hug ever! She then took us to the chamber where we learnt what the Mayor does and what the Councillors do in the chamber. The robe and the necklace that was made of real gold were astonishing. The Mayor and the Junior Mayor have to wear that every time they have a meeting to debate. We sat at a horse shoe-shaped table and did our first professional debate class! After the interesting debate we went off to the library where we learnt about 3D printers. We had a huge amount of fun using Virtual Reality Glasses and Little Bits. The 3D printers were making lightsabers, replica statues and designs that you could make. After this we had lunch at the Councillors lounge and we had delicious sandwiches and fruit. In the room were two old Mayor chairs that belonged to Oakleigh and Mordialloc. We then got to see Mrs Bearsley's office on the fifth floor where she showed us what she had to do. Every Thursday Mrs Bearsley received one agenda which consisted of the current situation of the City Of Kingston. Before we headed off we got to do two more debates since we had so much fun the first time. Overall it was an amazing experience. The City Of Kingston is a really wonderful place to be. We hope to see her again back at school next year!

Back by Popular Demand - Parent Club Special Lunch Order Day

Our Parent Club are organising another Special Lunch Order Day for Friday 17th June. Students may order a hotdog or halal frankfurt & an apple pop-top drink for \$5.00.

Please place your orders through Qkr and ensure you complete a **separate order for each child. Please not that only apple pop-tops will be made available and that tomato sauce will be made available through the classroom.**

Please make payment of \$5.00 through Qkr by Sunday 12th June or contact the office to make alternate arrangements. Please note **CSEF or Bulk money held at the school cannot be used for this activity.**

A reminder that payments for school organised activities **must be paid by the due date** in order to facilitate smooth organisation of the event and to ensure that correct financial processes are followed. Payments after the due date will not be accepted.

Sudanese Lamb Gheema

As part of the Cooking Program, students will be involved in preparing one meat dish during Terms 2, 3 and 4. The meat planned for this term is lamb (Halal).

During cooking sessions commencing 14th June to 23rd June, students will be cooking 'Sudanese Lamb Gheema' using lamb mince.

If your child is **unable** to prepare and/or consume lamb for cultural reasons, please respond via tiqbiz or alternatively contact the office.

Kinder Club

Just a reminder that our next Kinder Club for 2016 will be held next Wednesday 8th June at 2.30pm. This is a great opportunity for them to make friends with other children, meet the teachers and become familiar and comfortable about coming to school.

Junior Playground Upgrade

I am very excited over the installation of our new playground equipment including two slides in the junior area. The work will commence the first day back of Term 2, Monday 11th July. Unfortunately, there will be disruption to the parking bays in front of the playground to allow delivery trucks and work vehicles to have access to the school. The playground will also be closed and out of bounds for the day. Thank you once again to the hard working Parent Club and our parent community for supporting our fundraising efforts for the playground upgrade.

Hoodwinked!

I am so looking forward to the Year 4 production 'Hoodwinked'. The Year 4 students have been rehearsing and preparing for their big performance which will be held on Wednesday 15th June, the first showing is at 9:30am and the second at 11:30am. Looking forward to a terrific show!

Scratch, Scratch, Scratch.....HEAD LICE!

During this week we have had one reported case of head lice in the Year One & Two area. We would urge all parents to check their children's and their own hair.

Lice do not just infect children's hair!

It is essential that hair is treated with an appropriate shampoo and that the hair is sectioned off for thorough combing with a special fine toothed comb to remove eggs sticking to the hair. Simply washing with your normal shampoo will not help. Students with long hair should wear it tied back while at school.

IMPETIGO - SCHOOL SORES

Thanks to the parent who advised that their child has been infected with impetigo or school sores. Impetigo is an **extremely infectious** bacterial infection. Children are excluded from school until the sores have fully healed. If medical treatment has commenced **and** the sores can be completely **covered and sealed by dressings**, the child may be allowed to resume school. Medical treatment with antibiotics is usually necessary. School sores are round, red swellings that form small blisters with yellow crusts. Often they appear to be like insect bites and are usually found on the face around the nose and mouth as well as the legs
