

Hoodwinked

On June 15th many students, staff and families enjoyed the wonderful Production from the Year 4's. They gave 2 amazing performances, with an Evil Sheriff trying to take over the town!

The only hope was with an Outlaw named Robin Hood and his Merry Men and Woman! The Sheriff had captured him but then Friar Tuck & King Richard saved him along with Lady Marian!

Audience member enjoyed a Super Play, especially when Simon the Pieman payed back the Sheriff with a cream pie to the face. The Year 4's and Ms Natoli worked very hard for 1 and a half terms to create this wonderful play!

If you watched this incredible play I hope you loved it!

FROM THE PRINCIPAL

Bravo!!

Congratulations to our very talented Year 4 students on their wonderful performance of 'Hoodwinked'. What a show!!! The students looked fantastic in their medieval costumes and had the audience entertained and laughing the whole way through. A very big thank you to our talented Performing Arts teacher, Ms Natoli. Many long hours and hard work has gone into organising and preparing our children for their very special performance. This will certainly be a moment that our children will remember!!!!

Scratch, Scratch, Scratch.....HEAD LICE!

During this week we have had two reported cases of head lice in the Year 3/4 area. We would urge all parents to check their children's and their own hair. Lice do not just infect children's hair!

It is essential that hair is treated with an appropriate shampoo and that the hair is sectioned off for thorough combing with a special fine toothed comb to remove eggs sticking to the hair. Students with long hair should wear it tied back while at school.

I still Can't Find it!

We have quite a number of lost property items in the hall. Any named items handed in are promptly given back to their owners. It is clear to see that a lot of the items were once named, but over time and regular washing the name has faded and distorted. We suggest that you regularly check your child's named items to ensure that the label is still intact and easily read. If you have any missing items of clothing, please feel free to come and look in the lost property box.

It has also come to our attention that clothing, particularly jumpers and hats that are clearly labelled still go missing!!! Often, children (no matter what age) will pick up and wear a jumper or a hat that is not theirs.

If you discover that your child has accidentally brought home an item that is not theirs, could you please bring it back to school as soon as possible, so that we can return it to its rightful owner. We would greatly appreciate all families double checking this week, to make sure they have the rightly named jumpers and hats.

FROM THE ASSISTANT PRINCIPAL

It's Not OK To Be Away

Absenteeism has an effect on your child's academic performance and social development. What can your child learn if they are not at school?

Some absences are entirely valid, sickness is the most obvious reason, but to give your child the best chance of success and to give them more choices in life, they must attend as regularly as possible. One absent day a fortnight equates to 20 days a school year, that equates to one whole year of schooling by the time your child reaches year 10.

As the mornings become darker and colder, please ensure that your alarm clocks are operating effectively. This will ensure that your child starts the day on time and on task.

School Safety Procedures -Visitors at School

All volunteers at the school, including parent helpers, are required to have a current "Working With Children Check" Card and details about this can be gained at the school office.

All volunteers and visitors to the school, (including parents who are just popping in for 5 minutes or workmen) must call at the office to sign the Visitors Register and to collect a school security badge before commencing their activity each visit. The visitors badge must be worn at all times and clearly displayed.

These procedures ensure the safety of our students and all visitors within the school grounds.

First Aid

When a child comes into First Aid for minor cuts and grazes, in line with the Department regulations, their wound is washed with water only and if needed, a band aid is placed over the wound. Schools are not allowed to apply any antiseptic cream etc. parents are advised to check at home as to whether any follow up treatment is necessary. Please note that in the case of serious cuts, grazes or injuries, parents or emergencies contacts are notified. When these people cannot be notified the school exercises duty of care and takes appropriate action.

Staff Car Park Safety

I would like to remind parents that the staff car park is not to be used for parking, picking up or dropping off their children. Parents using Primrose Hill Close are also asked to remind their children of our Think Safe rule and that the safest entry to the school is via the pedestrian gate in front of the school. Students are not permitted to enter the school ground via the staff car park gate.

Bringing Students To School By Car

Parents who drive their children to school and use the front pedestrian gate are advised to enter Primrose Hill Close from the northern end (closer to Kennington Park Drive). Drivers may then use the parking bay to allow children out of the car. There is NO STANDING allowed opposite the school from 8.30 am to 9.00 am and from 3.15 pm to 3.45 pm. For safety reasons, parents must not double park. The City of Casey Council patrols this area and will readily book offenders. Fines for such offences are quite substantial. The school has no control over the issuing of these fines and cannot enter into discussions with The City of Casey regarding fines. Double parking or parking in 'No Standing' zones is illegal - even if "for only a few seconds". Our prime concern is for the safety of our students.

QKR UPDATE

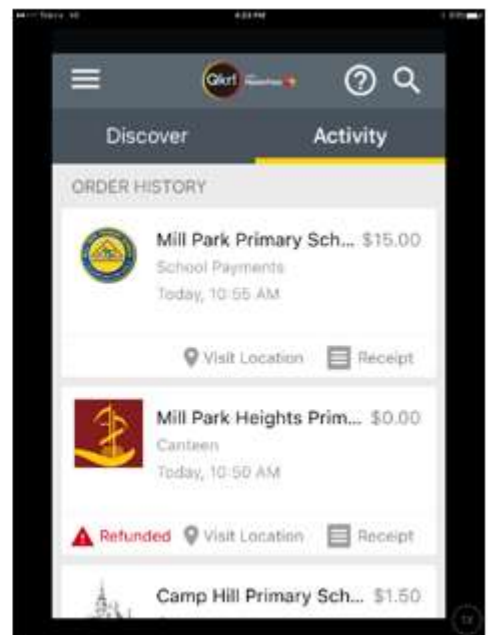

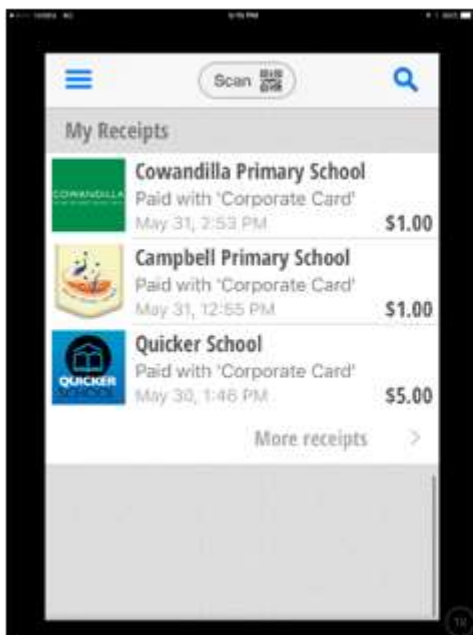

The user design experts at MasterCard have come up with a new design and parent experience within the Qkr app that all users will see with the update from Apple's App Store or the Google Play store on or soon after the 16th of June, 2016. Your username and password will remain the same, as will any credit or debit cards already

stored within Qkr, as well as your profile settings and those of your children. What will change significantly is the look and feel of the app, and the screens you will see in the process of using Qkr. Below are some of the current Qkr screens on left (as seen on an iPad today), and how they will appear with the app refresh.

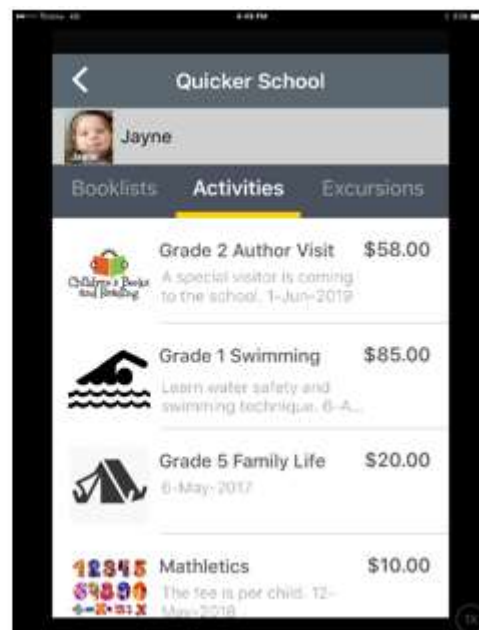

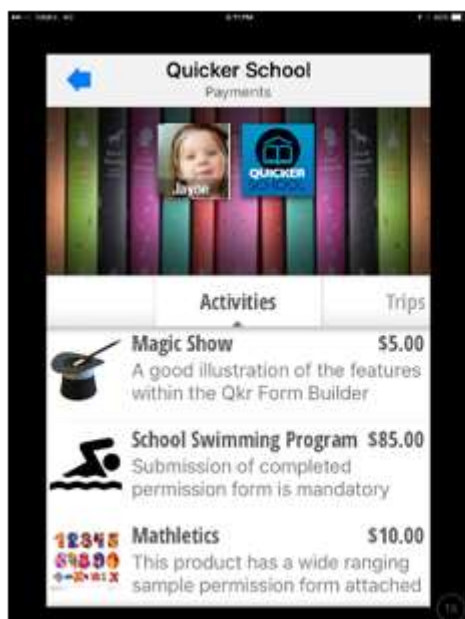

Home screen: Our school will appear at the top of the home screen for currently registered users, but note some new terms like "Discover" and "Activity" as Qkr is being used increasing by non-school merchants around the world, so the design has been modified to cater for users in a wide range of industry sectors.

Receipts will in future be stored under the "Activity" tab. Your old receipts will still be accessible from this area.

Product selection screen: This screen will now be more efficiently used to make scrolling through a large list of products easier.
