YR 6 MINI CARNIVAL
Supervision Times
It has come to our attention that many students are arriving to school very early in the morning. I wish to remind parents that supervision of students commences at 8.45am and concludes at 3.45pm. Between these times, when students are in the playground, they are supervised by teaching staff. There is no teacher supervision of students before 8.45am or after 3.35pm. I would suggest that if parents are having their children dropped off by carers, it is advisable to ensure that carers are informed of the times teacher supervision is available.

Helping Children Make Friends
Friendships are very important for a child’s happiness and well-being. Below is a web address for a wonderful article on how we can help develop our children’s social skills to enhance their ability of making friends.

Bee Stings
It’s that time of year when the birds are singing and the bees are buzzing. Over the last couple of weeks we have had a few students stung by bees. If your child has an allergy to bee stings please ensure that the office is notified and student medical details are updated.

Parking Safety
Parents are reminded about the dangers of double and, sometimes, triple parking near the school. It is of great concern that the safety of children is being jeopardised by a most unsafe and illegal practice.

Remembrance Day
The Chalcot family will be commemorating Remembrance Day next Friday 11th November, commencing at 9.15am in the hall. Sergeant Nicolle Morgan will be addressing the assembly and our Chalcot Choir will be performing as part of the ceremony. It would be much appreciated if parents would send along a few flowers or small posy for their children to place under the Australian flag during the assembly.

Poppies are available for purchase in the classrooms for 50 cents. All proceeds are used in the welfare work carried out by the RSL for ex-servicemen, women and their families who are necessitous situations.

Parents and extended family members are most welcome to join us for this very special assembly. LEST WE FORGET

Hats WITH Logos
Just a reminder that our school hat is the bottle green broad brimmed style which bears our school’s logo on the front. Some students are wearing hats without the logo and consequently are out of uniform. School uniform hats must be worn during terms 1 and 2 as part of our Sun smart policy. Hats are available for sale at our uniform supplier, Beleza School Uniforms, shop 7, 151 – 159 Princes Highway, Hallam.

Lunch boxes - menu planner
Healthy lunches and snacks help children concentrate, learn and play throughout the day. We know that children need to eat plenty of fruit and vegetables every day, as well as wholegrains, milk products (including cheese and yoghurt), meat and meat alternatives and water. You can include all of this in your child’s lunch box and still make it fun and interesting to eat.
By planning ahead, you can make sure that your child’s lunch box has each of the six key elements of a healthy lunchbox. These elements are:
- fresh fruit
- fresh crunchy vegetables
- milk, yoghurt or cheese (you can use reduced-fat options for children over the age of two years). For children who cannot tolerate milk products, offer appropriate alternatives like calcium fortified soy or rice drink, or soy yoghurt.
- a meat or meat alternative food like some lean meat (for example, chicken strips), hard boiled eggs, hummus or peanut butter. If your school has a nut-free policy, peanut butter and other nuts should not be included in your child’s lunchbox.
- a grain or cereal food like bread, a roll, flat bread, fruit bread or crackers (wholegrain or wholemeal choices are best)
• fresh tap water.

Try some of these ‘everyday’ combinations and take the hard work out of deciding what to put in your child’s lunch box. Why not prepare lunch the night before to save time and get the kids to help?

Remember that not all children go to school with lunch boxes filled with chips and lollies, despite what your children might think and say. Changing children’s food preferences and habits can take time, but children will learn to eat what is familiar to them, so it is important to keep offering different healthy lunch box choices. It may take a little while, but with time, your children can learn to love eating a healthy lunch every day.
